PRESS RELEASE
PAVING PROJECTS TO START
CTH U AND CTH I

DATE 9/23/2020

FROM: Mark Servi, Highway Commissioner

The Barron County Highway Department will begin pavement replacement projects on September 28th at the following locations:

CTH U from the Village of Dallas north limits, north to STH 25

CTH I in the City of Chetek, from the railroad tracks west 0.25 miles toward USH 53

These highways will remain open to traffic during construction. Traffic will be controlled by flaggers, as needed. Both projects are scheduled to be completed in October, weather permitting. The highway will be open to two lane traffic when workers are not present.

As a reminder, when you encounter a work zone, please pay attention as conditions may change. You are reminded that the use of hand-held devices, such as cell phones, in a work zone is against the law. Please help protect yourself and all construction personnel by putting down your phone and paying attention to the road.
