Legal description of Property			

As an inducement to the county to issue a sanitary permit for a holding tank on the above-described property, the owner agrees to conform to all applicable requirements of Chapter SPS 383, Wis. Adm. Code relating to holding tank management, including the following:

1. The owner agrees to contract with a person who is licensed under Ch. NR 113, Wis Adm. Code, except as provided by section 281.48 (3) (d), Stats., to have the holding tank properly serviced and to file a copy of the service contract with the governmental unit. The owner further agrees to file a copy of any changes to the service contract, or a copy of a new service contract, with the governmental unit within ten (10) business days from the date of change to the service contract.
2. The owner agrees to contract with a person licensed under Ch. NR 113, Wis. Adm. Code, who shall submit pumping reports to the governmental unit in accordance with SPS 383.55, Wis. Adm. Code, for the servicing of the holding tank. In the case of exemption under Section 281.48 (3) (d), Stats., the owner shall submit the report to the governmental unit. The governmental unit may enter upon the property to investigate the condition of the holding tank when the pumping reports may indicate the holding tank is not being properly maintained.
3. If the owner fails to have the holding tank properly serviced in response to orders issued by the governmental unit to prevent or abate a human health hazard as described in s. 254.59, Stats., the governmental unit may enter upon the property and service, or cause the tank to be serviced. The county may recoup the cost of having the holding tank serviced from the property owner by imposing a special charge prescribed by s. 66.0627 stats. pursuant to authority set forth in section 59.70(5) stats. The owner agrees to pay all charges and cost incurred by the governmental unit for inspection, pumping, hauling, or otherwise servicing and maintaining the holding tank in such a manner as to prevent or abate any human health hazard caused by the holding tank.
4. The agreement will remain in effect only until the governmental unit responsible for the regulation of private sewage systems certifies that either a soil absorption system that complies with SPS 383, Wis. Adm. Code, or a municipal sewer serves the property. In addition, this agreement may be cancelled by executing and recording said certification with reference to this agreement in such manner which will permit the existence of the certification to be determined by reference to the property.
5. This agreement shall be binding upon the owner, the heirs of the owner, and assignees of the owner. The owner shall submit the agreement to the register of deeds, and the agreement shall be recorded by the register of deeds in a manner , which will permit the existence of the agreement to be determined by reference to the property where the holding tank in installed.
