To all Consultants:

The Barron County Highway Department is Requesting Proposals (RFP) from architectural and engineering firms interested in submitting qualifications to provide a facility study and conceptual design of a county highway facility. Firms should be experienced in highway/public works facility design and be able to provide a minimum of two similar projects completed in the last three years.

Any interested firms can receive a copy of the RFP by contacting the Barron County Highway Department office at 715-637-3755, attention Mark Servi. The RFP is also available on our website, at www.barroncountywi.gov. Interested parties are responsible for monitoring the website for information concerning the RFP and any additional information issued.

Barron County reserves the right to cancel or modify this solicitation at any time if it deems such measures are in Barron County's best interest.

Barron County looks forward to reviewing your RFP submittal and working with the selected team in a successful development of this project.

Sincerely,

Mark Servi
Barron County Highway Commissioner
